**COME HERE FLOYD** - Saving New York Single Review. "With singles like 'Saving New York', they make the chairs by the bars shake with anticipation. The Bowie like vocal attitude drizzles the irony and the destitute descriptions of the city, or the town, or the individual misdeeds... The profound 'absurdity' of the world is noted clearly and defyingly in this single. It's a fun and thought provoking addition to the musical discourse, for sure"

**IMPULSE MAGAZINE** - Puberty Tales Album Review "An exotic, enchanting record of rollicking, eclectic anthems"

**NEW YORK MUSIC DAILY**- Puberty Tales Album Review "Mad Meg's Killer Debut Album Mashes Up Elegant Art-Rock and Creepy Phantasmagoria"

**SONGWRITING MAGAZINE** EXCLUSIVE! 'Circling The Drain' by Mad Meg

"Mad Meg, a band who treat it as their personal mission to get your hips swaying."

**NeuFutur MAGAZINE** - Puberty Tales Album Review 2016  
"Puberty Tales is an album that touches upon a wide variety of styles as listeners become familiar with this inimitable act."

**VENTS MAGAZINE** - "Introducing the dark humor of NYC's Polka Punk Rock band, MAD MEG – debut single "Scary People" is out there 2016"
